C. N. KINNEY, A. C., M. S.,
CHEMIST OF THE BOARD

GUILFORD H. SUMNER, M.D.
SECRETARY, DES MOINES

June 14, 1911. Father + Mother Kinney's Some bunch.

(2:45 A.M.) - (I got 10 minutes head start)

My side won so now, I have to write something, Anna Palas said the Ginger He made me drunk - but He swear I'm not - my chirography (not chiropody) being proof, Any how, as Mrs Morris says, I am d-a-m glad to be here + only hope I may be privileged likewise when the "Roll is called up yonder" 5 yrs hence. ^{at Kinney's} Be that as it may - here's hoping that those of us who may be absent may be informed of all the nefarious proceedings of the occasion and may there be a fulfillment of Father Kinney's prediction of 50 good children. ~~As~~ next year is Leap year maybe I can qualify to help Dad out. It might interest you all to know that the clock having just struck 3 was summarily demolished. As a party word, - Here's happiness to each + every one and may each of us merit the 46 friendships by being true ones ourselves - With hearty Godspeed to Father + Mother Kinney + family believe me to be - Ever yours in the Bonds of '07. J. J. Hall
