Meine Liebans! -

Schon wieder sind fünf Jahre  
gangen und ich take meine pencil  
hand und write ein kleiner letter.

There was a class '07,  
a bunch quite close to heaven.

It always sticks together  
no matter what the weather.

The moon was shining bright,  
And mister! what a sight,  
We all drank some gringer all  
Oh! there's no end to this long tale.

Best here's to Pa and Ma,  
Such a couple you never saw,  
We had a grand old time, all right -  
Even if it did last over night.

Ach, Forrie!

Awa.
