C. N. KINNEY, A. C., M. S.,  
CHEMIST OF THE BOARD

June 17 - 1911 3 A.M.  
At Father & Mother Kinney's

Dear Classmates: The jug of '07 is opened  
the contents divulged - and lucky are we  
who are here - Another day of feasting  
and revelry with Father and Mother  
Kinney has carried us back, till we  
see ourselves back together <sup>as</sup> in 1907.  
Why but its better than ever to go to  
class burns, makes us wish we were  
~~may we all be here in 1916 and as~~  
~~much happier then as now, as~~  
~~than we are in 1907.~~  
kids again.

Ruth is sound asleep at home and  
doesn't know what a bad example  
~~her~~ dad is setting - (Anna Rehman  
is there, so nobody can have any  
more throbs tonight - this morning  
I mean -) Don't forget the fireworks of  
1911 - Best wishes to all. Love Taylor Cabbage.
