

Letter #12

June 14, 1911.

Three o'clock in the morning,
The skies the moon adorning,
The 07's all precedent scorning (?)
Without a bit of warning,

At Father's & Mother's House-warming
Even if the hour was alarming
It was no one harming
For our 4th reunion was charming.

May we have many more happy reunions.
Rae Stockham
