Dear '07

I set my stakes at 50 babies for the next reunion. Roy Cabbage candidate for Atty Gen. Arthur Palas Sec. State. Fred Swanson elected to succeed J.P. Morgan. Lola Oliver principal of the woman's suffrage league of Iowa. Jeanette Warner happy mother of five little red headed boys. Well baby class may you live long and prosper. Remember the best thing in life is to serve your fellow men. I am anticipating great things by 1916 of this class and very proud are Father & Mother K. Ma & I have been out of the Univ. now three years, riding around in our a(e)roplane and keeping our little farm going. Tomorrow we leave for Pentwater(?) to fix up the camp for the '07 who will come in a few days later. Wonder what Gene & Arthur have hidden away this time! It is not safe to predict so will desist. Trusting that every one of this are free and happy, and will be present at the next big reunion.

As ever,

Grandpa
