

Letter #7

Dad & Maw's House,
June 14, 1911

"Here's to the class, the famous class. The Class of 1907."

At three in the morn,

Tho the papers were torn,

The jug duly emptied.

Its contents to be enjoyed

A task set before us,

Who all spoke in chorus,

The bottle to fill,

With future cheer & good-will

With best wishes for five years of happiness & success to all classmates.

Also, Father & Mother Kinney,

Mayme M. Lyall
