Updates

This Friday newsletter will be on hiatus for a couple of weeks while it undergoes a second facelift attempt. Your voices have been heard. Last week's beautification effort was not universally appreciated, so stay tuned for something different starting in August. In the meantime, announcements will come out as needed from Anita Mozga or Dean Jan McMahill.

Corrections

The South Central STEM hub sponsored the May 10th Hour of Code. The \$2k from Google is to launch a state wide Hour of Code in December 2014.
