Alumni honor

Mary Brooks earned three degrees from Drake, a BFA in 1974 (Speech Communications); an MSE in 1979 (Secondary School Administration); and another MSE in 1985 (Curriculum and Instruction). She has brought to life a program called "TaleTrail" sponsored by the West Des Moines Public Library where people can read a children's book, page by page, while walking in Ashawa Park. The unveiling ceremony is Tuesday, August 23rd at 5 pm and all are invited to attend.

BlueView - new default password for new students

After August 5 new students' default password to get on BlueView will be the student's 8 digit birthday followed by an exclamation point. Example for someone born January 14, 1995: 01141995! The student should then change his or her password via the "support center" tab in BlueView.
