

Today is
September 9, 2016

Dates

We are already almost 1/3 of the way through September. How did that happen??

Monday, September 12 is the last day to drop a class without a "W"

Scholarship

Sally Beisser and Randy Peters have an accepted publication in the Nov/Dec *National Association of Elementary School Principals* (NAESP) entitled "Here's to Your

Health: Recommendations for Becoming a Healthy School Leader." They have a follow up R & R for "The Mindful Principal: Recommendations for Becoming a Healthy School Leader" slated for the Summer NAESP issue.

Updates

Please send and any information that you want to share so that your colleagues can read about all your exciting and important events or

Iowa ASCD invite

Iowa ASCD is offering a special opportunity for undergraduate students for three upcoming conferences that focus on instructional strategies.

Option 1 - \$75 for "Struggling Learners"

Workshop: Participate in the workshop with Bob Darnell - "Struggling Learners - Causes and Cures" on September 27 for a fee of \$75.00 each. Continental

breakfast and lunch will be served at this conference. Each undergraduate student will also receive a year's membership in Iowa ASCD as well as access to 30 books online. He/She would also receive *The Source*, our digital newsletter, the first and third Friday of each month. We would also encourage that they explore our website iowaascd.org, especially for subject/content-based resources and approaches to learning - and follow us on Twitter @IowaASCD. Our web page for teachers is a great resource for them as well.

Payment: We can arrange for individual payment or if you want to collect the payments and provide a collection of checks or a single transaction, we will provide you with a free registration if at least 10 of your students participate. I would need a list of the students and their email addresses as well as mailing addresses.

Option 2 - \$150 for All 3 Workshops: Participate in the three workshops (Bob Darnell - "Struggling Learners - Causes and Cures" on September 27; Grace Dearborn - "How to Motivate, Manage, and Engage All Students" on December 1; Dave Burgess - "Teach Like a Pirate" on February 22) for a total fee of \$150.00. Continental

breakfast and lunch will be served at each of these conferences. Each conference addresses strategies that all teachers, especially new, need to engage students, manage their classrooms, and meet the needs of individual students. Each participant would receive four years of membership in Iowa ASCD as well as access to the 30 books online. He/She would also receive *The Source*, our digital newsletter, the first and third Friday of each month.

Payment: We can arrange for individual payment of \$150 for each undergraduate or if you want to collect the payments and provide a collection of checks or a single transaction, we will provide you with free registration if at least 7 of your undergraduates take part in this offer. I would need a list of the students and their email addresses as well as mailing addresses.

accomplishments.
