ONE HUNDRED YEARS and counting!
The SOE Chapter of the International Society in Education, Kappa Delta Pi is celebrating 100 years of Drake chapter membership. KDPI is an honorary community of diverse educators who promote excellence in education by advancing scholarship, leadership and service. Stop by the Curriculum Library between 10:00 and 2:00 on Valentine's Day, Feb 14 to congratulate the members.

DOES THIS APPLY TO YOU?

TO DO ITEM:

spend 8 hours in schools in 2017

Huh? This applies to ALL instructors in the Teacher Education, Educational Leadership and School Counseling, all meaning every single full time and part time instructor.

Between January and December of 2017, ALL instructors in Teacher Education and Leadership and School Counseling will complete 8 hours in pk-12 schools.

For **teacher education** that means 8 hours of co-teaching in a pk-12

classroom (substitute teaching counts, but student teacher supervision does not count);

For **ed leadership**, the hours must be meaningful interaction in pk-12 leadership;

For **school counseling**, the interaction should be in pk-12 schools related to school counseling.
