

School of Education

**It's Friday the 13th! And it's still October. And it's still 2017 also.**

## **Fall Break**

Monday and Tuesday, October 16 and 17 are Fall break.  
No classes are scheduled, but offices are open.

## **From the Dean -- It's official!**

Last weekend, over 500 people were present for the Francis Marion Drake Society dinner and ribbon cutting ceremonies. Drake faculty, staff, alumni, families and friends braved the rainy weather to tour Collier-Scripps Hall and the Science Connector buildings. Thanks to everyone involved in this ten-year effort to provide world-class offices, labs, conference rooms and classrooms to showcase best practice in teaching and learning. To view the Saturday ceremony just Google Drake University Facebook and you should see the posting. The SOE specific presentation is approximately ten minutes into the video.
