Drake Counseling Professor Dr. Bengu Tekinalp to be awarded Certificate of Adlerian Study

A certificate of Adlerian Study will be awarded to Dr. Bengu Tekinalp at the NASAP business meeting on Saturday, June 1, 2019. The purpose of the Certificate of Study in Adlerian Psychology is to recognize those who have demonstrated a commitment to the study of the Individual Psychology of Alfred Adler.

Drake graduate and current student named Iowa's Central Office Administrator of the Year

Mark Lane, Associate Superintendent of the Urbandale Community School District has been named the 2019 SAI (School Administrators of Iowa) Central Office Administrator of the year. Mark graduated from Drake with his Master's degree in counseling and currently enrolled in Drake's Doctoral program.

Relays Parking

Drake Relays are almost here! More info here: <https://alumni.drake.edu/relays>

For people wanting to access Collier-Scripps on April 25-27, note that there will be a "Fan Zone" set up on Forest Avenue. That section of Forest will be closed during the Relays between 27 Street and 28 Street and there will be no through traffic so attendees can easily cross the street to get to the stadium. The Drake Alumni Tent will be set up in the parking lot closest to Collier-Scripps, the Law School and Olin Hall. The tent will be set up on the west side of that parking lot. That will leave

about 1/2 of Lot 13 available for cars on the east side with their parking registrations. Be warned that you will need to get in early to vie for a parking spot.

Invitation to attend the 2019 STEM Summit

Iowa's trailblazing education-workforce horizon will be on full display on April 30. Registration deadline is Tuesday, April 23 at 10 am. Please join us, and forward this invitation to those in your sphere. Iowa STEM Education + Workplace Partnerships Future Ready Iowa Summit.
